- If an individual earns supplementary income through non-entrepreneurial activities by utilizing their owned property or assets

for a duration of up to 2 years, they are required to file their income tax declaration with the tax authority by the 15th of the subsequent month after the reporting month. Additionally, the corresponding income tax must be paid within the same timeframe.

- Income tax is due for the tax year when an individual receives a gift of property valued at 1,000 GEL or more without the tax being withheld at the source of payment. The individual must submit a declaration to the tax authority regarding the relevant accounting year by April 1 of the following year.
- Failure to meet the specified obligation constitutes a tax offense, resulting in accountability under Chapter XL of the Tax Code.
